

Dear FCC:

Please DO NOT repeal the rules that prohibit a media company from owning both a t.v. station AND newspaper in the same region.

As a patriotic American, what I value most within our culture is respect for democracy; which is in our highest ideal respect for diverse representation of viewpoint. By allowing a corporation to buy BOTH a t.v. station and newspaper in the same region, the public is receiving further consolidated and unrepresentative reporting. PLEASE DO NOT REPEAL CURRENT FCC REGULATIONS.

As a public, and I believe that I speak for many that I know, we are tired of broad, homogenized, CNN, MSNBC, dumbed-down, news reporting. Don't distrust community owned news reporting thru mass, profit-interest corporate consolidation.

HONOR AMERICA- don't represent corporate interests!

Sincerely,
